

# LORI VALACHOVIC

## MIDDLE SCHOOL TEACHER

Saint Agatha School

lvalachovic@cducation.org

## PROFESSIONAL SUMMARY

---

A former Ohio State Math Department Teaching Assistant, Mrs. Valachovic began her business career in data analysis. After changing careers, Lori is in her fourth year of teaching at St. Agatha School and 19<sup>th</sup> year as a parent of a St. Agatha student. All four of her children have attended and will have graduated from St. Agatha. With her teaching certification in mathematics, Mrs. Valachovic also received the *Recognition of Excellence Award* from the State of Ohio for her high score on the 6-12 Math Proficiency Test. At St. Agatha, Mrs. Valachovic teaches Mathematics, Algebra I, Accelerated Math and STEM. Lori wants her students to build their skills, learn, gain confidence at the level they are proficient in and continue to challenge themselves at the next level of math. At St. Agatha, Mrs. Valachovic serves on both the School Service and Accreditation Committees. She also coordinates service projects at the Open Shelter for the Boy Scouts of America Troop 298 and is their Financial Literacy Merit Badge Counselor. For enjoyment, she likes to travel, sew and watch her kids' sporting events. Mrs. Valachovic and her husband, Steve, reside in Upper Arlington along with their four children.
