

SUMMER FANFARE

June 26, 2020

Dear Trinity Families,

It's been a busy week! Mrs. Eastman, Mr. Whyte, and I have been in administrative training for our new student information system, Digital Academy, which will replace SchoolSpeak. We are very excited about its capabilities and features not only for our families and students but also for our teachers and staff! Parent information will be coming in August.

We are being told that Governor DeWine will be announcing school guidance for reopening this Tuesday! We are also having a Trinity reopening task force meeting on Tuesday, so finally having this state guidance will help us in our plans for Trinity. We should have our survey finalized and out by the end of next week.

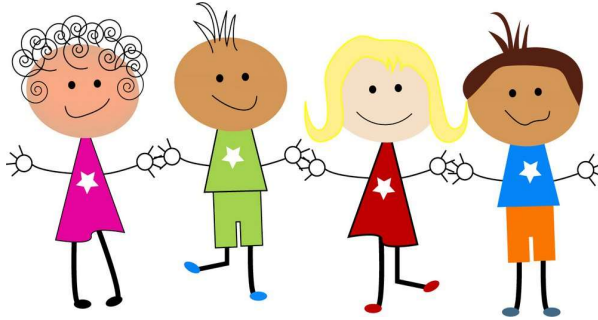

Don't forget to shop for school uniforms! The 25% off sale at Educational Apparel ends on Tuesday, June 30. You can order online or shop in person. We have added some additional uniform items which I think you will like! These don't change the current uniform but rather provide some added choices and enhancements! Thank you Mrs. Boyle for helping with this!

If you plan on riding the bus for next year, please get your applications turned in as soon as possible. Each district--Columbus, South-Western, and Hilliard--have their own process for new and returning students. If you need help with this, please reach out to Mrs. Eastman (deastman@cdeducation.org).

With the shifting of the first day of school to August 31, the calendar for next year will need to be adjusted which could affect the last day of school and designated days off throughout the year. We have also been asked to move spring break into March rather than the week after Easter. I should have more specifics after our administrator and feeder school meetings on Wednesday. Here are the dates for the opening weeks of school:

- August 24-28: Staff Only--Professional Development and Preparation
- August 31-September 4: Staggered start with small groups of students in the building each day for orientation and individualized assessment--should have specifics on what this week will look like by next Friday.
- September 8: Back to school for everyone (we hope)!

Life is good because God is great!
Mrs. Moehrman, Principal
