

# FRIDAY FANFARE

September 14, 2018

Dear Trinity Families,

For many years, we have given a “Good Character” award to one or two students per grade level each quarter. Nominated either by peers, teacher, or both, the students who were given this award were identified as being kind, helpful, friendly, etc. We are trying something new this year! We are calling it the “Titan Treasure” based on Jesus’ Two Great Commandments of Love--loving God with all your heart, soul, mind, and strength AND loving your neighbor as yourself. As students are observed living out these Commandments of Love, other students, teachers, staff, parents, etc. will be able to recognize them for their actions of love. We will build a “Titan Treasure” wall and make regular announcements. So many of our students demonstrate in so many ways that they live these Commandments of Love. It is important to celebrate more often than one child per class per quarter and to encourage others to follow the example of Jesus.

With God’s blessings,  
Kimber Moehrman, Principal
