

FRIDAY FANFARE

September 28, 2018

Dear Trinity Families,

I hope everyone enjoyed this beautiful day today! The teachers and I spent the day at St. Brigid at a workshop on MTSS (Multi-Tiered Systems of Support) sponsored by the Catholic Inclusion Network. Following lunch, we met with a couple of the St. Brigid teachers to compare notes and learn more about student-led conferences. When we have parent conferences in November, they will be led by the students as they discuss the goals they have set this first quarter and their journey toward accomplishing those goals.

With God's blessings,
Kimber Moehrman, Principal
