

# FRIDAY FANFARE

March 1, 2019

Dear Trinity Families,

Lent begins next week with Ash Wednesday, and before we know it Easter will be here! As you embark on this 40 day Lenten journey, here are a few things you can do to prepare yourselves and your families. Prayer, fasting, and almsgiving--our spiritual pillars! Pick a prayer you do not know, and commit to praying it daily as a family during Lent. It doesn't have to be a long or complicated prayer. Pick one that speaks to your heart. For fasting, commit to not eating meat on Fridays. Go to one of the fish fries or pasta dinners! Make some fun shaped macaroni and cheese or some homemade cheese pizza at home together! My son loves fish sticks! For almsgiving, use your rice bowl boxes. I can make a daily sacrifice and skip that pop from McDonalds or that coffee from Tim Hortons and give that money that I save to those most in need. Let us use this time to deepen our relationship with God and with each other!

With God's blessings,  
Kimber Moehrman, Principal
