

FRIDAY FANFARE

May 3, 2019

Dear Trinity Families,

Nineteen days of school left for this year! What a busy and fast paced year this has been! In these last days of school, encourage your children to give a last push with their studies and to enjoy all of the fun activities that will round out our year! I have included an extended list of upcoming events that will take us to our last day. I will continue to add to this list in the final Friday Fanfares.

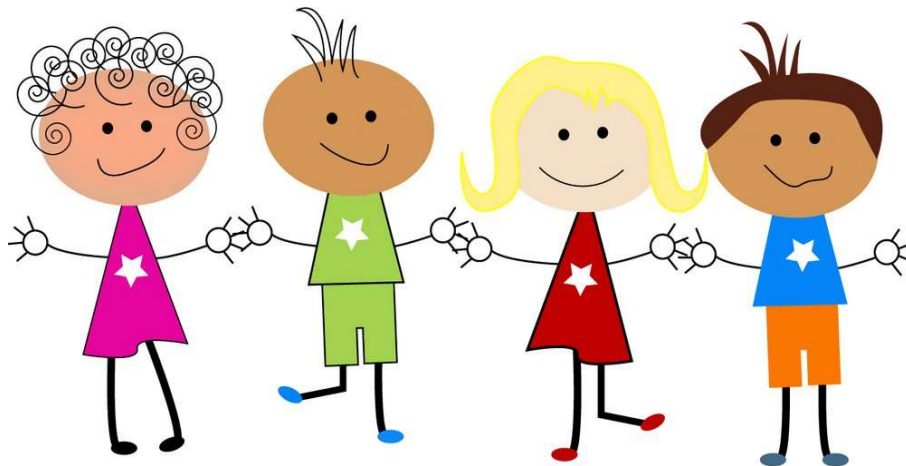

Tuition letters went home today. If you applied for a FACTS grant, you should receive notification by Monday. If you are not notified, please contact the school office before contacting the Diocese concerning whether or not you were awarded.

It has been brought to my attention that my emails may be going in to your SPAM. Please check on this and let me know if this is happening to you. A lot of communication goes out by email, so if you aren't receiving any, please contact the office.

Another HUGE thank you for your generosity towards our fundraising efforts for PanCAN! We raised \$1500 of our own which was added to the \$500 Challenge Grant for a grand total of \$2000! Well done!

We will need volunteers for both Super Science Day and Field Day! If you know now that you would like to help, I will put you on our list. An official sign up will go out soon! Thanks for all you do!

With God's blessings,
Kimber Moehrman, Principal

First Grade News

Mrs. Bowling has decided to make a change as she looks ahead to her final years in education. She will be leaving the first grade classroom; however, she is taking a position with Columbus City and will be at Trinity as our auxiliary/Title 1 tutor! We will most definitely miss her in first grade but what a blessing that she will still have an active role at Trinity especially with our struggling readers.

A committee of teachers held interviews the past several weeks, and we are pleased to announce that Jessica Calton will be joining our Trinity family! Jessica is an Otterbein graduate with a B.A. of Science in Education in Early Childhood Education (Pre K-3) and Equine Assisted Activities and Therapies. Jessica just completed her student teaching this spring at St. Paul Catholic School in Westerville where she has also worked as an After School Care Program Aide for the last four years. Jessica has also worked summers at Augustine Rainbow Camp in Cleveland since 2011 first as a counselor and group leader and in the last two summers as a part of the administrative team. Jessica has been active in her parish in ministries such as the American Sign Language Choir and as a teacher in the religious education program. We are excited to welcome Jessica to Trinity!

Super Science Day!

Our Third Annual Super Science Day will be held on Wednesday, May 15! In addition to volunteers, the following items are needed. Please send to the office. Send an email if you would like to help that day. Thank you!

Donations needed:

- Empty egg cartons
- Duct tape (any type - could be the decorative ones)
- Masking tape
- Drinking straws
- Empty tissue boxes
- Bubble wrap
- Tissue paper
- Yarn
- Packaging materials (save what comes in packages you may receive and donate)
- Empty paper towel rolls or toilet paper rolls
- Painter's tape
- Any other type of container that could hold an egg (ex. CLEANED EzMac cups, microwave rice cups etc.)
- Large solo cups
