

# FRIDAY FANFARE

May 12, 2019

Dear Trinity Families,

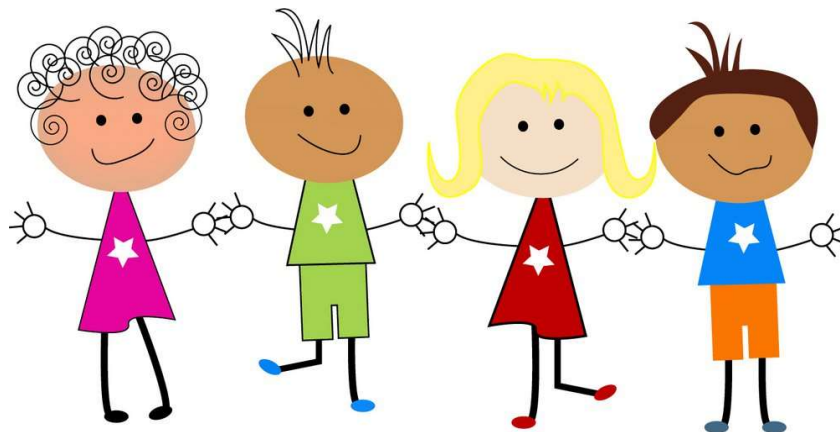

I hope all the moms out there had a wonderful Mother's Day today! I am especially thankful for our Blessed Mother Mary who I know is taking good care of my own mother in heaven!

*May the Mother of Jesus and our Mother, always smile on your spirit, obtaining for it, from her Most Holy Son, every heavenly blessing.*

Pio of Pietrelcina

I would like to update everyone on a few changes that will be happening for the next school year. In addition to Mrs. Bowling moving from 1st grade to Trinity's auxiliary/Title I tutor with Columbus Public, Mrs. McCollough will be shifting from part-time to full-time in 4th grade. The 4th and 5th grade students will still travel between teachers with Ms. McCarthy teaching religion, science, and math while Mrs. McCollough will continue to teach language arts and social studies. Mrs. Downey will be moving to the library space as our Literacy Specialist. We will be working to create a 21st century resource center. We thank Mrs. C for her years of service and dedication to Trinity! We also thank Mrs. Dickerson for her years as our playground supervisor--for keeping our children safe as they played! Mr. Whyte, our tech coordinator, will receive training this summer that will enable him to provide our middle school students a computer science curriculum. We are also working with Children's Hospital to add a curriculum to our after school program--stay tuned! As a school, we continue to move forward with the needs of our students first and foremost in our plans!

With God's blessings,  
Kimber Moehrman, Principal
