

FRIDAY FANFARE

May 17, 2019

Dear Trinity Families,

State law requires schools to conduct three types of tests over a three-year cycle. The first year is the most basic test called a “tabletop exercise” which happens in an informal setting with discussion around a hypothetical simulated emergency. The second year calls for a “functional exercise” in which an actual drill or practice takes place. Next Friday, we will conduct our “full scale exercise” which will include an off-site evacuation to Grandview High School. The teachers will talk with the students ahead of time. The intent is to allow the kids to “practice” what an off-site evacuation might look like in a controlled scenario, especially getting to experience that travel experience to the off-site location. As part of this exercise, we will be sending all school emails to let you know that we have started the exercise, that we have arrived to our destination, and that we have returned to school. In a real emergency, parents would pick up their children at the off-site location as part of “reunification.” During this exercise next Friday, we will just return to school. Such a practice enables us to see our areas of strength and weakness. The staff will debrief after the fact. Police and Fire are aware that we are holding this exercise. Police will join us on Friday. So please don’t worry, and know that it is only a DRILL--NO REAL EMERGENCY--but that we will be sending out communications as we go along.

With God’s blessings,
Kimber Moehrman, Principal

Prayers Please for our Faithful Departed

School Supply News

School supply lists are being updated and added to the website. Mrs. Bailey has put together school supply bundles that can be accessed through the link on the website or go directly to:

https://store17138079.ecwid.com/?lang=en&from_admin

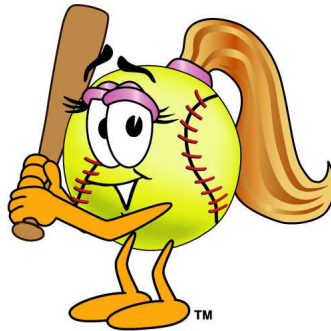

This is an optional service but what a time saver, and the prices are great!

Thank you Mrs. Bailey for offering this to our families!

These bundles will be delivered and waiting in your child's classroom in August!
