

FRIDAY FANFARE

May 24, 2019

Dear Trinity Families,

The kids did good on everything this year! We have 4 days left and the kids are ready for summer! Field day will go great again. Being principal is good for your kids because they get to work with the principal. All the kids at Trinity are good friends. Please come back because we celebrate God.

With God's blessings,
Ian Murray
Principal of the Day

School Supply News

School supply lists are being updated and added to the website. Mrs. Bailey has put together school supply bundles that can be accessed through the link on the website or go directly to:

https://store17138079.ecwid.com/?lang=en&from_admin

This is an optional service but what a time saver, and the prices are great!

Thank you Mrs. Bailey for offering this to our families!

These bundles will be delivered and waiting in your child's classroom in August!

Evacuation Update

Our off-site evacuation went extremely well today! I am so proud of the students and staff! Columbus Police were present and were a huge help in getting us across the busy intersections. It is so important to practice these drills to ensure that we are ready in case of a real emergency.
