

FRIDAY FANFARE

August 30 , 2019

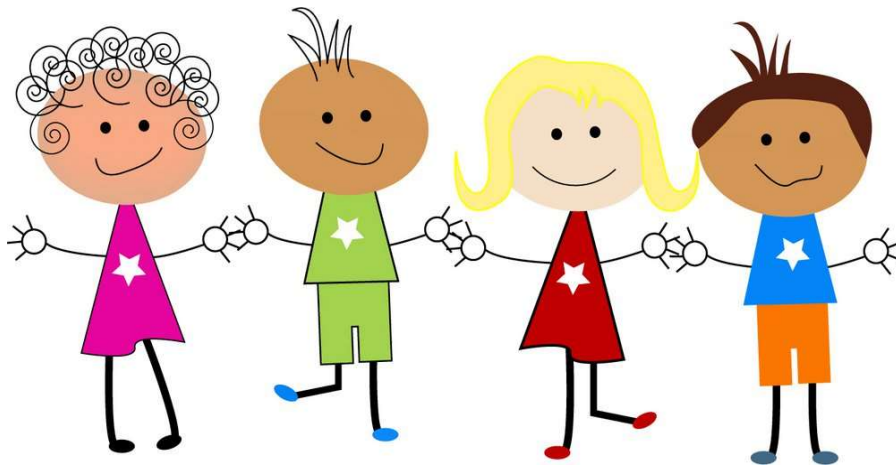

Dear Trinity Families,

Labor Day weekend is one of my favorites! The Millersport Sweet Corn Festival is one of the reasons! Corn is my absolute favorite vegetable, especially corn on the cob! The whole family gets together for this event, and we easily put away fifty ears of corn! This festival is neat because all of the food booths support an organization in the community. We have been going every year since my children were babies--they are now almost 23 and 26!

I hope you all have a relaxing and fun Labor Day weekend! See you on Wednesday!

Life is good because God is great!

Kimber Moehrman, Principal
