PROFESSIONAL SUMMARY

Holding both a reading specialist and elementary education certification, Donna Bovitz has been teaching children to read for 36 years. A graduate of both Boston College and Northeastern University, Bovitz is an Upper Arlington Golden Apple Award winner in education. As an educator, Donna focuses on teaching the child from where they are as they enter first grade and guiding them as they use their own strengths to overcome challenges as they grow. She believes in using a variety of teaching methods to reach the various learning styles the children have. Here at St. Agatha, Mrs. Bovitz serves on both the Principal Advisory Committee and Catholic Schools Week Committee. In her free time, Donna walks, sings in the choir, loves her flower gardens, and has two fishponds, a 100-gallon aquarium and four dogs. She and her husband, John, reside in Powell and enjoy frequent visits from their children and grandchildren.
