

# KELSEY FULMER

**MUSIC TEACHER**  
Saint Agatha School  
kfulmer@cdeducation.org

## PROFESSIONAL SUMMARY

---

As a graduate of The Ohio State University, Ms. Fulmer is in her second year of teaching music at St. Agatha School. Currently working on her Kodaly Certification with elementary focus at Capital University, Kelsey incorporates many of the teachings of Zoltan Kodaly into her classroom. With her teaching certification in music, Kelsey prepares our students for opportunities such as band, the Advent program, and the spring musical. Furthermore, Ms. Fulmer believes that music enables students to build their skills in performing, listening, analyzing, and creating. They will be exposed to various cultures and learn rhythmically, auditory, visually and kinetically. Building these skills enhances their overall learning strategies that carry over into other academic areas as well. For enjoyment, Kelsey likes to hike, bike, and walk her dog. Ms. Fulmer is originally from Cincinnati, Ohio and currently she resides in Columbus.
