

Contract for Student Use of iPads

It is important to understand that these are not personal iPads: rather, they are for use for classroom materials only. For this reason, please adhere to the following guidelines:

1. All School policies regarding internet usage and computer usage as stated in the Student Handbook apply.
2. Students will be assigned use of ONE iPad. They are responsible for the material on and the care of this iPad during their class period.
- 3. If you break it, you just bought it (\$500.00)**
4. Absolutely NO APPLICATIONS (games or otherwise) will be downloaded or added to the iPad. Pictures that are copied, downloaded, or scanned must be for classroom use only. NO USE OF PHOTOBOOTH OR THE CAMERA IS PERMITTED! Remember, these are not your personal iPads. Memory space is at a premium and must be reserved for student work, not for 18 pictures of your friend's distorted face that you took with PhotoBooth.
5. Absolutely no videos are to be downloaded or created. Be sure it is school and assignment related, or delete it.
6. Absolutely no social media will be used on these iPads. If you are found abusing this and visiting social media during class time, you will receive a demerit.
7. The HOME and LOCK screens are not to be changed.
8. Students' iPads are to be placed in their correct spot in the cart at the end of class.

Two violations of the above policy will result in a suspension of your use of the iPad. You will complete assignments using only pencil and paper. Suspension period is the decision of the classroom teacher and/or principal.

I agree to abide by the above policies by signing the Consent/Signature Form.
